

Wood Refinishing

Wood furniture is the most lasting of all elements in your office. With over 40 years of experience SBI offers a complete in house wood refinishing service to handle anything from basic touchups, small repairs, to complete refinishing. Depending on the size of the job we can do the work in our facility or at your location.

Office furniture can say a lot about how you run your business. Maintaining the appearance can become challenging overtime as furnishings begin to show the inevitable signs of daily wear and tear. Sheppard's Business Interiors can offer a convenient alternative to costly replacement and renovation through professional use of products and techniques to restore your furnishings to their original beauty.

Our on site repair and restoration services include:

- The removal of unsightly scratches, dents, gouges, nicks, watermarks and other damage to wood surfaces.
- Restore your furniture to its original luster.
- Structural repair and joint stabilization: Repair or replacement of damaged or broken pieces.
