

Design & Space Planning

Our design professionals study how employees work individually and as a group to uncover possible productivity obstacles and make the most of valuable spaces.

Sheppard's Business Interiors' qualified team of designers is at your service, ready to help plan and design an interior space that supports your

company's every need. We will consider your company's practical needs, budget constraints and aesthetic preferences along with the latest advancements in technology and ergonomics. Our staff works directly with your team to create a functional, attractive, sustainable design.

Sheppard's Business Interiors' goal is to deliver your company a strong, practical vision for your space. Our designs are flexible, meeting your immediate needs while anticipating future changes, remaining attractive, comfortable and highly functional.

The resource library at Sheppard's Business Interiors is newly remodeled and expanded to help you create, specify, and design all types of commercial spaces. We have fabrics from all of the leading commercial manufacturers, as well as carpet and flooring, wallcovering, paint, laminate, and solid surface. We supply access to catalogs for all the major furniture and accessory manufacturers.

- Design consultation
- Space planning
- Furniture finish selections
- Resource library
- Specification and install drawings
